

WEEKLY REMINDERS

2nd September 2020

- **PUPIL FREE DAY**

Friday 4th September

Please keep your child at home on this day.

- **SCHOOL CAMP**

Monday 14th September

- Do your children have everything they need for camp? It would be a good idea to have a read through the camp packing lists to ensure all items are on hand. We have attached a copy of the packing lists for your reference.
- It would be immensely appreciated if parents could contribute a healthy plate towards morning tea/lunch for the trip. Please let Amelia know what you are able to contribute to ensure there is sufficient food.
- Please arrive at school by 9am for a departure time of 9.30am.
- We will arrive back on Wednesday 16th September at approximately 2pm, however this time will be confirmed on the day by Mrs Yaun.

- **SCIENCE EXPO**

Thursday 10th September

The students will be holding a Science and Technology Expo here at school from 2.15pm. Friends and family are encouraged to come along from 1.30pm for an afternoon tea provided by P&C. Please return the RSVP which will be sent home today by Friday for catering purposes.

- **END OF TERM**

Friday 18th September

School will resume Tuesday 6th October.

- **SENSORY GARDEN**

Thank you to those parents who were able to find some old tyres for our new garden. If you have any items currently being unused in your household which you think may be of use to this project, please let Danni know. These could be pipes, planks of wood, used trucks/cars in good condition etc.

Payments and forms to be returned
