

WEEKLY REMINDERS

4th November 2020

- **GARDEN WORKS** Thursday 5th November
As stated previously, the front gardens are being constructed tomorrow which is very exciting. Please be mindful in the morning to stay away from the roped off areas and enter through the double gates beside the school sign.
- **SENIOR ORAL PRESENTATION** Friday 6th November
Topics for this week are Mt Everest or Tallest building. Students are encouraged to present a Powerpoint presentation each fortnight to expand their skills in this area. The next presentations will be Lake Eyre or Cyclone Tracey.
- **SWIMMING LESSONS** Tuesday 10th November
Thank you for ensuring all children have transport organised to and from swimming lessons. Please ensure your children have all the required items, especially goggles as they are not providing spares due to COVID.
- **DRAMA** Friday 6th November
As outlined in the previous note sent home, students will be performing their play for assessment purposes only. It would be ideal if each student could bring a prop that is relevant to their character, simple items only, no need to purchase anything.
- **SENSORY GARDEN**
If you have any items currently being unused in your household which you think may be of use to this project, please let Danni know. These could be pipes, planks of wood, used trucks/cars in good condition etc.
